The New ENVELOYE.—The increased cost of furnishing the improved style of envelope, the propriety of adopting which is being considered by the Postetitice Department, may require a small additions to the price now charged for stamped envelopes. For example, the rate of the letter-sized envelopes may be changed from \$3.15 per hundred (now charged) to \$3.27.

Discription of Orlsaos have Ignored the bill in the case of J. M. Vennon.—The Grand Jury of the parish of Orlsaos have Ignored the bill in the case of J. M. Vennon, which is system of drains or sewers may pass, including space, as demonstrated by practical experience, together with the case of J. M. Vennon, which is system of drains or sewers of drains or sewers to reflect and sourcenty of contraction, as demonstrated by practical experience, together with the case of J. M. Vennon, which is system of drains or sewers to reflect and sourcenty of contraction, as demonstrated by practical experience, together with the case of J. M. Vennon, charged with killing Capta in Boosier, and committed by R corder Wiltz for measurement of the board of levee columissioners of Mieslassippi have elected Mr. Merriwether, of Tennessee, this fengineer of the works to under their charge.

The beetian took place Monday last.

ITEMS.

Philadelphia adverticing is ingenious. One of the notices saye: The court wan called, There was a cloud apon the brow of the judge thindered. Coursel stormed. The judge thindered court will an account the proposed of the surples volume of water passing thought from the face of the wall additions the proposed to the fieces and countries of th

ar not only nanecessarily expensive of constructions within mean must. The judge thundered. Counsel stormed. The jury's plants in the fact, that during dry seasons of the year, when the fashionable clothing because, laughe his privates to score, and blithely whistles them down the winds. The Toronto Leeder which formerly published under its accountement of the licatrical play bills the usual mottos "find save the Queen" and "Vive l'Empereur," now omits the compliment to the Emperor of the Freech.

It is said from Sweden that the "Bessemer process" for the manufacture of iron, which for a time made so much noise in England, has been tried with much success in the easting of steel. In the experiments that had been made with iron ore it was found impossible to produce meal of a suitable kind; but it is affirmed that by its adoption steel can be east of a enperior quality and at a camparatively tilfling expense.

An iron beam farty feet four inches long and nine in the index of the incomplete of the incompliance of the incomplete of the incompl

LOUISVILLE JOURNAL.

Ca'The tradition now current in the papers tells as that Washington, when a youth, was rejected by the beautiful Miss Carp of Winghink, becase, as Ber 1/2 fabor phrased it, "the bea bean accordemed to ride in hir own cafralit." When Washington and a few in the content of a carp of the content of the

There a peaterday visited your honse, boying the ight of good things and chiefly good paintings until do mn good and setten the wild ideas that had do no to put an end to my lite; but all of to use, tur manor is one of the most neble, splendid hings I saw in my life, sud I have traveled heart and seen nearly everything worth seeing.

"Noz ignara mali, miseris succurere disco,"

than the cld kind, answered aif the purposes of ing, simply by virtue of the increased value in year of channels of the sewarge were passing through the tendent channels of the own plan, which rendered them self-cleaning and labor-saving. This subject claims special intention. As much of the reformed system as a babbean found by time and experience to be perfectly successful in its working round be adopted for the city of Louisville. The caty thousand shifters would go as far toward the construct a of drainage work upon the reformed strategy where the control is a subject to the perfectly successful in its working round be adopted for the city of Louisville. The caty thousand shifters would go as far toward the construct a of drainage work upon the reformed in a series to be perfectly successful in its working round be adopted for the city of Louisville. The caty thousand shifters would go as far toward the construct a of drainage work upon the reformed in a series to be perfectly and the construct a of drainage work upon the reformed in the construction of drainage work upon the reformed in the construction of the construction of the construction of drainage works upon the reformed in the construction of t

Well areally one are governed not by what we have heard of \$1,021 42. This will sound well in England when the news gets over there, and fully establish the Jeremy Diddler character of the first ing sectory at the federal capital.

Well arises, and fully establish the because the Southers Convention has furnished Gov. Foots with a bebty for making leng speaches. If so, 'the the only good thing that the Convention can claim credit for.

When so sockies not Key, no less than thirty-four men have heard which, evident at the four proposed to the first of the hear an every the beauty heard him any "that each have account of.—Kashington Size.

And yet we guess that not more than one has been about at out of thirty-four thousand that decarred to be.

Well and the convention has a furnished of the Winnessta Times says he has an idea in his bead. How does he knew? Does he find the hear anything else. He can anything else. He can anything else. He can are some heard anything else. He can anything else. The capital and anything else. The capital are would be an anything else. The capital are would be an another to notice My. Trabus's remained the common than anything else. The capital are would be an another to notice My. Trabus's remained to a some a law as a wagen. He lied to an another in the hear anything else. The capita

The New York Ledger—the marvelous Bonars, a few months ago, startled the literary world by the annunciation that he had paid to the Hon. It is started, that he will not evan vote for Col. Netherland. He has gone over without reserve to the camp of the Degone over without reserve to the camp of the Degone over without reserve to the camp of the Degone over without reserve to the camp of the Degone over without reserve to the camp of the Degone over without reserve to the camp of the Degone of Mr. Ready is certainly a very remarkable one. His best friends must regret it most, wast retee for contributions, elthough that here THE NEW YORK LEDGER .- The marvelous Bon-

of course everybody thought that Mr. Bonner
The election of Col. Robert Hetton, the regular
would rest satisfied for a year at least with the
triumph achieved by him in eccuring the great serrances we receive from the District leave to Vices of Mr. Everett. But those who thought thus itity and attractive personal bearing, renders him ment, and we did not have to weit for it long. The editor of the Ledger, having engaged the most distinguished prose writer of America, determined cofin is, as you say he is, opposed to the intervention of Coagress in any state of case to protect the rights of slaveholders in the Territories, can't you novel for the Ledgar, paying, as the eminent author himself says, a more liberal price than be get him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while? Mesers, edget him to say so in black and while?

GerMessrs. editors of the Democrat, if Mr. Ma-Bitain. Accordingly be made a contract with Cherles Dickens to furnish an original tale or get him to say so in black and while? Mesers, editors of the Conrier, if Mr. Magoffin is, as you say be is, in favor of the interference of Congress to protect when necessary the rights of slaveholders in the Territories, can't you get him to say so in black and white?

black and white?

ever received before for any work or a summar constitution of the pay will prompt the greet author to bring his finest powers into requisition. The proprietors of two or three of the Eastern magazines have hitherto paid Mr. Dickane and Mr. Hulwer very reasure shile some for supplying them with early Pray what'e the use, O ye organs, in disputing with each other, week after week, as to what your candidate thinks shout the marter in question, Britain, but Mr. Houser is the tirst that hee ever the organism of the proof of the control of the con

mais in its present condition?

past been beautified with poetry from the lone of male and female poete of national fame, it occurred to him that he could crown the glory of his periodi-cal by obtaining for it, at whotever price might be found necessary, the productions of one, the most renowned bard perhaps of all our country, whose but not its love. It actually abeses him more fercely than ever. Having lost its Heart, it demen. And so the malchless editor announces that he has engaged William Cullen Bryant see regular contributor of poetry to the Ledger. To ell lovers of the paper of Mt. Storling, is this State, and some the pare and deep and lofty and magnificent in poetry, Bryont is a consecrated name.

Every year the editor of the Ledger pays out a fortunn for contributions and advertising, but we The exchange gives a list of twelve reasons rejoich to know that he receives two fortunes in 1e-

were considered as being very dangerously wonned. It seems that the friends of both candidate participated pretty freely in the fight, and we can pose the affair will be allowed to rest as it is—

Attention, Falls City Guardal Users hereby notified to attend a meeting of company on Friday evening, the 27th instant clock, at the armory. A full attendance is read, as business of insportance will be brought meeting. By order of the Captain.

and Gosport Navy Yards.

Ex Commissioner Bowlin has been suddenly esiled to Missouri by the severa illness of his brother.

The War Department has ordered armed accorts to the Irains with army supplies, on eccount of apprehended attacks of returning emigrants from Pite's Peak, information having been received of the necessity for such protection.

Attornay-General Black to day decided the questions submitted to him by the State Department on the claims of Capt. B. W. Perkina against the Russian government. The decision settles the right of Capt. Perkins to recovar under his contract to farnish 150 tons of powder and 35,000 stand of arms. Some unimportant questions have not been fully disposed of, but the lategrity of each contracts is fally maintained. The eatire amount involved is about \$395,000, which will probably be paid on the return of the Russian Minister, who is deally axpected Irom Europe.

This daction has, it is considered, a most important to surious provenments any aged in worfarm.

Mr. Perkins' counsel were as: Aftorney General Cushing, ex:Senator Cooper, and Joseph B. Stowart.

Day, assignee of Tirer & Halm, a paint for an Important towards.

The regular correspondent of the Democrat, writ-leg from Denver City nuder date of the 9th, te-counts the most deplorable condition of things on the plains. Some of the emigrants are dying of starvation, while others are acustising on prickly pears and wild onlone found along the road. pears and wild onione found along the road.

The stage agant reports picking up a man named Blue, who was reduced to a skeleton from starvation. He started with two brothers, one of whom died. The ramaining two ate his body. Another died, and he, in tura, was nearly devoured by the survivor. A man named Gibbi reached the miace in a starving condition. He expressed the opinion that his party, numbering ulue, had all parished. Many graves are reported along the route. Mach proparty has been destroyed and ebandoned on tha road.

WILMINGTON, Del., May 24.

In the session of the Gensrel Assembly to-day the Presbytery of Kansas was recognised and connected with the synod of Iowa. A desply lateresting debate aruse in regard to church members of good meral character who neglect the communious tabla. It was decided by a large vote that no new action on the subject is expedient. The entire judicial business of the Assembly was harmoniously disposed of.

May 34.

Western and Wick to me May. The section of the subject is expedient. The entire judicial business of the Assembly was harmoniously disposed of.

a Assembly is now begun in W. C. HITE....G. W. SMALL....J. P. MAMSHALL For Owe HITE & SMALL, CLEVELAND, May 24. CARPETS,

A mass convention of the opponents of the fugitive slave act was held to-day. It was well attended. There was a very large number from the reserve counties. Everything went off in an orderly manner. A declaration was read denouncing the fugitive slave law and the Dred Scott decision. Resolutions of the same tenor were also read, declaring the fugitive slave act unconstitutional and void; that the Suprema Court has become degenerated and subservient to party politics; that the life tenure of the Judges abouid be abolished; that the judicial circuite should be remodeled; that the conviction of the Oberlin men was a diagraceful and unparalleled act; that the prisoners were emittled to their liberty; that the freedom of the country rests on the great Kepablican party. &c. Curtains, Floor Vilcloths, and House Furnishing Goods. 499 Main st., between Third and Fourth. WE respectfully invits attention to our stock of CARPETS.
